22 NOV 1968

Dear Dick,

You and one key member of your staff are cordially invited to join with me to review politico-military game, ETA I-68. This was a single-level, interagency game designed to examine the impact of British withdrawal east of Suez -- Arabian Sea/Indian Ocean area -- on United States interests and foreign policy. The Review will be presented from 1400 to 1530 hours on Thursday, 12 December, in Room 5C-1042, the Pentagon. The enclosure contains a list of all senior officials invited to attend.

I look forward to your personal review of this game and to your participation in the ensuing discussion. An opportunity to share your views concerning this significant region would substantially enhance the value of the Review to all in attendance. The atmosphere will be informal and a policy of non-attribution will be rigidly observed.

The Joint War Games Agency point of contact is Commander Kenneth N. Bebb, USN, OXford 7-9860, to whom your acceptance may be confirmed.

Sincerely,

Signed - Bus

EARLE G. WHEELER
Chairman
Joint Chiefs of Staff
